Trip Info - Fees for Participants

Introduction

The Club and Gatineau Park have a variety of fees related to the Club's activities:

- Club membership fees
- Club activity fees (usually just for non-members)
- Club equipment rental fees
- carpooling transportation (for all)
- Gatineau Park fees for summer parking and winter trail use (for all)

Membership fees

The annual membership fees and related information are available [here](#) [1]. Club activity fees can be applied fully to a Club membership when you join within a week of the activity.

Notes:

- Pre-set rates for canoeing assume that the canoes are picked up at the Club's canoe-storage location after starting from the Club's regular meeting location.
- As defined in the [bylaws](#) [2], carpool rates are a fixed percentage of the [Government of Canada reimbursement rates for Ontario](#) [3]. The OOC rates are based on the 1 October 2020 government rates.
- This [Excel spreadsheet](#) [4]  is used to calculate the rates. There is one tab for each time the rates are set (usually annually).

Gatineau Park fees

[Gatineau Park vehicle-access fees](#) [5] are generally charged during the summertime for beach-access parking lots and Mackenzie King Estate. These shall be split evenly among all in the car.

During the winter, there are [per-person day or season fees](#) [6] for the cross-country ski trails and most snowshoe trails.
