## Trip Info - Registration by and Responsibilities of Participants

### Registration

#### Day and evening trips

Due to the COVID-19 pandemic, [pre-registration](#) [1] is required for all trips.

Meet at the time and location described in the [schedule](#) [2] entry. For all outings, please bring a meal (unless otherwise stated, such as when we have potluck outings), water, rain gear, and sun-block.

Some activities have [per-event fees](#) [3]. Each activity may have specific requirements, so please refer to the detailed descriptions for each [activity](#) [4].

#### Multi-day trips

Register by contacting the trip leader. It's on a first-come, first-served basis as long as the leader thinks that you have the capabilities required for the trip until either the outing is filled, the deadline in the schedule is reached, or the deadline of the weekend preceding the planning meeting is reached. The purpose of the meeting is to inform participants of the details about the trip, arrange food, and arrange transportation. Participants must attend the planning meeting or make other arrangements that are suitable to the trip leader. The meetings are usually held at 7:30 p.m. on the Tuesday prior to the trip. Non-refundable deposits of \$50.00 are usually required for multi-day trips. Some trips may require higher or lower deposits.

### Participant's Responsibilities

You are expected to

- choose a trip suited to your physical capabilities and skill level
- tell the leader before the start of the trip about any health problems and any existing or potential problems with your equipment
- respect the judgment of the leader and the fact that you are part of a group
- respect all financial arrangements

Parents and guardians are responsible for supervising their own children. The leader has the right to exclude specific participants for safety reasons.
